

## Lyrics from “Soul Cries”

### Thank You

Written by: Sharon Dean

As I enter into the secret place I'm going down on my knees to pray  
I've got to intercede for my loved ones in need  
Ask for protection and for guidance today

But just before I do  
Make my request to you  
Let me start saying that I

Thank You for all the things You've done for me In my life  
Lord I thank You for all the things You've done for me already  
You've done so many great things

As I enter into the secret place I'm going down on my knees to pray  
I've got to ask you Lord for Your favor once more  
As I've done so many times before

But just before I do  
Make my request to you  
Let me start saying that I

Repeat Chorus

### Grateful

Written by: Sharon Dean

I know I haven't always been faithful to you Lord If the truth be told  
But somehow You reach Your hand out for me and lift me up from the place where I have fallen

You've given for life me You died so that I might be free  
And I'm grateful to You Lord for Your love And I'm grateful for all the things you've done

Chorus:  
I have taken advantage of Your love And I have taken advantage of Your grace  
I haven't always remained in Your will But You loved me still  
And I'm grateful You're a God who forgives

I must confess that I have sinned against You over & over If the truth be told  
But you are faithful to always forgive me and clean me up from all unrighteousness

You've given for life me You died so that I might be free  
And I'm grateful to You Lord for Your love And I'm grateful for all the things you've done

Repeat Chorus

Over and over You loved me  
No matter the failures mistakes that I've made  
You comfort me over and over again

Repeat Chorus

## **You Carried Me**

Written by: Sharon Dean

It must have been You, You carried me When I couldn't go on  
It must have been You, You carried me I couldn't weather the storm

Yes it was me I carried you when you said you couldn't make it  
Did You do that for me? Yes I did  
So now I understand I thought I couldn't take it  
Now you see who I Am

Yes it was You, You carried me When I couldn't go on  
Yes it was You, You carried me I couldn't weather the storm

Yes it was me I carried you through the nights when you were crying  
Thank You for wiping my eyes  
It's alright  
I was so broken and I thought that I was dieing  
But I was holding you tight

Repeat Chorus

Yes it was me I carried you I heard you calling my name  
You asked me to heal your hurt you showed me your wounds and your pain  
From the moment you called out to me I was right there though you couldn't see  
Ready to lift you up and carry you on

Repeat Chorus

## **I Shall Live**

Written by: Sharon Dean

I shall live 2x  
To declare Your works oh Lord (repeat)

When the enemy came against me pushing me violently that I might fall  
The Lord came to help me The Lord is my strength and He is my song  
He has become my salvation the voice of my rejoicing  
He said you can live and go on So I shall live and not die  
I'm here to testify and declare what The Lord has done

Repeat Chorus  
Repeat Verse

I shall live I shall live I shall live and not die  
I've got a work that I must do To declare Your works oh Lord

I shall live and not die I've got to live to testify

You're my healer My deliverer My strong tower

I've got to tell the world about You How You made away  
I shall live to give You the glory I shall live to tell my story  
I've got a work to do To declare Your works oh Lord

## **Flying High**

Written by: Sharon Dean

I am flying high on his love Soaring through the sky on is mercy  
Precious Holy Spirit Holy Dove underneath my wings Is His love

I'm way above the clouds and things look so much brighter now  
High above the storm looking toward the rising sun  
When I was falling His name I started calling  
He came with His love and rescued me

Repeat chorus

It feels so good to fly To sail across the bright blue sky  
The sun has kissed my face As I fly upon His arms of grace  
When I was falling His name I started calling  
He came with His love and rescued me

Repeat chorus

When nothing else could help  
His love lifted me 2x

Repeat chorus

You're here with me  
And I'm here with You

Written by: Sharon Dean

When Your presence fills the room  
I bow down to worship You  
When Your presence comes into the atmosphere  
I bow down

When Your glory is revealed  
Hearts of men must now be still  
To behold the splendor of Your majesty  
And bow down

I bow down in Your presence Lord 2x  
I bow down

When You come into this place  
And You touch my heart again  
With your power and anointing  
I bow down
